ABOUT YOUNG LIFE

Young Life is an international interdenominational nonprofit organization. Young Life doesn't start with a program. It starts with adults who are concerned enough about kids to go to them, on their turf and in their culture, building bridges of authentic friendship. Young Life leaders log many hours with kids - where they are, as they are.

Kids' lives are dramatically influenced when caring adults come alongside them, sharing God's love with them. Because their Young Life leader believes in them, they begin to see that their lives have great worth, meaning and purpose.

This is the first step of a lifelong journey; the choices they make today, based upon God's love for them, will have an impact on future decisions — all ripples from the time when a Young Life leader took time to reach out and enter their world.
